

918 GLOSTIK™ PRO

FLYING INSECT TRAP

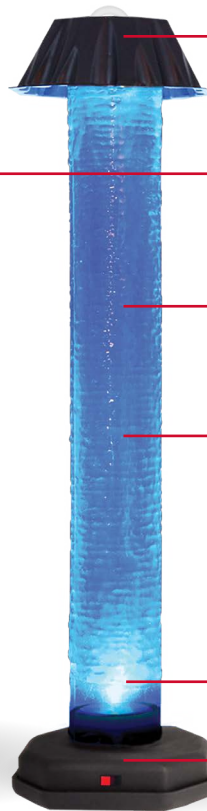

Designed for use in low light areas such as under bars and counters or in hard-to-access areas like attics or crawl spaces, the GLOstik™ flying insect trap delivers 200+ hours of performance on a single set of batteries. The GLOstik™ is economical enough to be used as a disposable “one use” clean out tool, or, the adhesive coated tube can be replaced with a refill and the LED base can be reused.
